WELCOME

Our July newsletter will focus on some basic information that we hope will assist everyone planning for a visit to GEMBOREE 2026.

In order to assist us with forward planning we would like to request that all booking forms be lodged as soon as possible, this will assist the committee in knowing exact needs for the basic things such as number of tables required for main pavilion, camp site power needs and space, number of goodies bags etc.

Location of Nambour Showground

Nambour is situated in the Sunshine Coast Hinterland approx. 100km north of Brisbane and only a short drive from the Sunshine Coast. The showground is located at the Northern end of Nambour on Coronation Avenue, entry is via Showground Way.

Accommodation

If you are planning to stay off site there are several motels in Nambour. There are also many caravan parks, motels and B&B accommodation options in surrounding towns of the Hinterland and on the coast all of these towns/cities are only a short drive from Nambour. Please remember if you are choosing an offsite option to book early as Easter is a very busy time on the Sunshine coast.

Attractions

There are many varied attractions within an easy drive of the GEMBOREE location. These range from rainforests to beaches all having attractions to suit the interests of most travellers, from family fun to cheese, wineries and markets. We look forward to welcoming everyone in 2026
